Global smart generously supplements your basic insurance, for treatment and hospitalisation benefits, at advantageous rates.

➤ **Hospitalisation**

Supplemental hospitalisation offers four coverage levels, providing access to greater comfort and more extensive coverage than compulsory health insurance.

H-Bonus allows you to choose, before each hospitalisation, the ward in which you wish to be admitted (general, semi-private or private) and offers a bonus system.

Hôpital senior allows you to take out supplemental hospitalisation insurance even after retirement age.

Supplemental healthcare saves you from having to pay substantial costs yourself for medical and pharmaceutical care.

Premium offers comprehensive and generous coverage for outpatient care, preventive measures and unique benefits for your day-to-day expenses.

Specific supplemental care

Acrobat the accident insurance for children, offers three levels of coverage to help you cope with the financial consequences of disability or death.

Alterna is a solution for the reimbursement of alternative medicine treatments administered by doctors.

Dentaire plus offers several coverage levels and covers dental treatments which may involve significant costs.

Daily allowance, pensions and lump-sum amounts

Daily allowance in the event of hospitalisation is particularly recommended in order to compensate for a loss of income (e.g. additional costs for a household helper)

Daily allowance is particularly recommended in order to avoid any gap in coverage in case of incapacity for work.

KidsProtect provides financial support to families with children suffering with cancer, from the beginning of the treatment.

ProVista and ProVista^{light} insurances allow you to receive a lump-sum in case of disability or death due to accident, to suit your needs.

SafeCapital provides you with a lump-sum, for a reasonable premium, in the event of death by accident or following a sudden medical condition (e.g. stroke or heart attack)

Sekunda protects you, at a low cost, against expenses related to incapacity for housework due to an accident.

SanaVista allows you to benefit, for a small premium, from an extra lump-sum amount in case of death or disability following illness. A security net that will help you cope with heavy blows!
