Groupe Mutuel

Protecting you in every way

Groupe Mutuel is the only multiline personal insurer in Switzerland

What does this mean? It means that we are able to respond to the population’s two major concerns: health and personal risk. By placing individuals at the heart of our business, we aim to create and maintain a strong bond with our insured persons.

Our insurance products, information and advice, designed both for individuals and companies, as well as for the population as a whole, allow us to guarantee security and peace of mind for all.
By your side, every day, no matter what happens

Listening to you, getting to know you and providing you with support

Because there are as many types of organisations as there are companies, we believe that listening to people and getting to know them is paramount.

Caring, proactivity and responsibility drive our approach and reflect the respect and solidarity we have for our insured persons.

Our focus on individuals drives us to offer innovative, personalised and comprehensive solutions, and to always anticipate the future needs of each company.
