- Crutches
- Walkers and ambulatory support systems
- Electric beds
- Protective helmets for people with epilepsy or haemophilia
- Protective knee and elbow pads for people suffering from haemophilia

### **Terms and conditions:**

- Reimbursement of the above medical aids can be made only upon presentation of a medical prescription.
- Any statutory co-insurance under compulsory insurance is not covered by supplemental insurance.
- Orthopaedic equipment (insoles, shoes, braces, orthotics, etc.) shall be invoiced according to ASTO/SVOT and/or OSM rates.
- According to Article 18, paragraph 1, letter (g) of the general terms and conditions for supplemental insurance (CGC), the costs of ineffectual, inadequate or uneconomical treatment are not covered.
- The following supplemental insurance products: APEL / SR / VA and Diversa, are subject to specific conditions with regard to medical aids. On this basis, it is advised to contact Groupe Mutuel for further information.
- The General Terms and Conditions for Supplemental Health and Accident Insurance (CGC), as well as the specific terms and conditions for the above supplemental insurance products, are authoritative. The specific terms and conditions also define the amounts to be paid according to the different levels.

## **Comments:**

- This list may be subject to changes following medical advances, technical, scientific or economic developments or legislative changes.
