### Indications for the injured person

Kindly fill in **the claim number** – referenced in all our correspondence – on the accident and pharmacy forms and indicate it each time.

**Please retain the accident form** for the duration of the treatment; it must be presented to your doctor at each visit and handed to your employer when the treatment is finished. The accident form does not guarantee any entitlement to benefits.

Should you **change doctor**, please contact the insurance immediately.

As your compulsory accident insurance, we will cover your medical costs in a general ward in case of hospitalisation. For the duration of your stay in hospital, a share of the accommodation costs may be deducted from the daily allowance.

**The doctor will indicate the incapacity for work on the accident form.** In the case of a partial incapacity for work, the full working hours specified by the doctor must be observed unless he/she indicates otherwise on medical grounds (see the left-hand box below).

**The entitlement to the insured daily allowance** starts three days after the accident. The daily allowance covers 80% of the insured salary.

Necessary **travel and transport expenses** will be reimbursed. Please choose an appropriate and economical means of transport (e.g. public transport).
