

Discount for three or more children

An average monthly saving of CHF 90*

- » Are you a family with three or more children?
We will grant a discount of **25% per month** on all of your children's basic insurance premiums. **That's an average monthly saving of CHF 90*!**

How do I qualify for the benefits?

Have at least **three children** with a **basic insurance contract with a Groupe Mutuel member insurer** (Mutuel, Philos, Avenir, Easy Sana, SUPRA or AMB) and grouped together **under one same adult** (policyholder).

Your advantages

- A **25% discount per month** for **each child** insured with Groupe Mutuel and residing in Switzerland.
- The discount is maintained until the child reaches the end of his or her 18th year (regardless of the age of the other children).

*Calculation for a family with three children, based on the child premium of Groupe Mutuel insurance with a standard deductible (CHF 0) and the accident risk (Swiss average for 2023).
