  - c. Where childbirth involves a hospital stay of less than five days in a semi-private ward, the Insurer will grant insureds a daily allowance of CHF 250 for each day of avoided hospitalisation. Art 2.1.1.3.b is not applicable in the case of services provided by a non-recognised facility or a non-recognised doctor.

- c. The present insurance does not cover organ transplants for which the SVK (Fédération Suisse pour Tâches Communes des assureurs maladie, Solothurn) has agreed specific lump-sum rates. This rule also applies to hospital facilities not bound by agreed lump-sum rates.
