# Flexible hospitalisation

## H-Bonus

- » To be able to choose your level of comfort and specialist before each stay in hospital.

### How does it work?

When you are in hospital, your needs may change depending on your health, the type of surgery or the length of your stay.

With H-Bonus, you are able to choose your level of comfort when you are admitted to hospital.

In this case, your contribution to hospital costs will depend on the chosen ward:

Your contribution: CHF 100 per day  
max. 30 days per calendar year

#### **Private ward**

Your contribution: CHF 200 per day  
max. 20 days per calendar year
