

## «SanaTel» compulsory healthcare insurance

### Sound medical advice 24/7

SanaTel is a cost-effective alternative to the compulsory health insurance by which you undertake to contact Medi24 call centre before each medical visit.

#### **Rule**

Before making an appointment with a doctor, you contact the Medi24 call centre for free professional advice on the therapeutic steps to follow.

#### **Your advantages**

- › You enjoy free medical advice given by qualified medical staff on call 24 hours a day.
- › You avoid inappropriate action and unnecessary visits to the doctor.
- › You save time and money.
- › You pay a lower premium.
- › You may contact a free of charge hotline: **0800 726 283**.
- › You maintain unrestricted coverage: free choice of doctor if treatment is required and unlimited access to all compulsory healthcare benefits.

The terms and conditions of insurance apply.

**You are not required to contact first of all Medi24 medical centre:**

- › in case of emergency medical visits in Switzerland or abroad;
- › for preventive gynaecological check-ups;
- › for outpatient ophthalmological treatment.

**Additional benefits**

SanaTel enables you at any time to obtain information on certain illnesses, the latest means of prevention and the necessary vaccinations for your trip abroad.

Medi24 provides you with the names of doctors and pharmacies on call near you.

**Medi24**

**A pioneer in modern medicine**

In the Medi24 medical centre, 120 employees receive up to 3,000 phone calls per day, 24/7. The centre is operational throughout Switzerland since 1999 and qualified medical staff is at your service to help you find the best solution in case of a health problem.
