

Occupational pension plans

Groupe Mutuel is a Swiss company specialising in personal insurance. It offers a complete range of products that are able to provide your business with the appropriate solution, as well in terms of occupational pension plans.

Your exclusive advantages

- › A privileged relationship with a designated account manager;
- › The notification and follow-up of all your staff transfers through our Extranet portal;
- › The option of choosing to pay your premiums in instalments, at no extra charge;
- › No extra charge for services, such as withdrawals for home ownership;
- › Financial security thanks to a high coverage ratio and reinsurance in the event of disability and death;
- › Strong synergies with the loss of earnings coverage or accident insurance offered by Groupe Mutuel.
