## Petra Feigl-Fässler joins the Board of Groupe Mutuel

After having served on the Board of Groupe Mutuel since 2015, Urs Schwaller has decided to step down. Karin Perraudin, President of the Board, took this opportunity to bid farewell and thank the Fribourg native for the quality of his work over the past eight years. His experience in large companies and in the political arena was a valuable asset for Groupe Mutuel during his term of office.

To replace him, the members of Fondation Groupe Mutuel elected Petra Feigl-Fässler at the last general meeting, held on Friday 16 June 2023 in Martigny. The arrival of the new member will further strengthen the Board of Groupe Mutuel Holding. Ms Feigl-Fässler, a Human Resources specialist, is currently a member of the Executive Board and Head of HR at Migros Industrie. She has spent most of her career in the HR world of major companies in German-speaking Switzerland (NZZ Mediengruppe, Nobel Biocare and Syngenta) and was previously a business consultant for Accenture. She is also a member of the Board of HIG Immobilien.

"I am very much looking forward to this new challenge on the Board of Groupe Mutuel, one of the country's leading health insurers", said Petra Feigl-Fässler.
