

ActiVita

Exclusive and generous health insurance in case of accident

- › Whether minor or serious, an accident can disrupt your daily routine and generate unexpected and sometimes substantial costs.

ActiVita provides you with coverage if you are the victim of an accident in your professional or private life. You may therefore take advantage of benefits that are not covered by your compulsory accident insurance (LAMal/KVG or LAA/UVG). ActiVita also covers sports accidents, including during fun activities such as paragliding and bungee jumping.

› Your advantages

- ⇒ **Comfort and free choice of specialist in case of hospitalisation or rehabilitation**

You may stay in a private room and have access to specialised clinics, such as orthopaedic, ophthalmology and rehabilitation clinics.

- ⇒ **Search, rescue and emergency transport**

Emergency transport to the doctor or hospital is reimbursed (including repatriation costs). If an accident prevents you from reaching your doctor on your own, ActiVita will also reimburse transport costs.

- ⇒ **Plastic surgery**

In case of aesthetic sequelae, treatment and hospitalisation costs are covered.
- ⇒ **Insurance coverage for a number of high-risk sports**

Accidents resulting from the practice of a high-risk sport, such as parachuting, scuba diving and bungee jumping, are entirely covered.
- ⇒ **Legal assistance in case of accident**

In the event of an accident, we are available 24/7 to answer your questions, to provide advice and emergency recommendations.
- ⇒ **A caretaking service for your home**

If you need to stay in hospital after an accident, ActiVita also pays for the following benefits:

 - maintaining your home
 - redirecting your mail to hospital
 - taking care of your pets
