

# GMnet and GMap

## Online customer areas to make your life easier

Manage your contracts, edit your information and monitor your expenses from your computer, tablet or mobile phone.

With the GMnet online customer area and its free mobile application GMap, you are able to manage your health insurance data and documents wherever you are, easily, quickly and safely.

### Your health insurance within easy reach

#### ELECTRONIC TRANSFER

Transfer documents electronically, such as invoices, referral vouchers or letters. When you receive a document from Groupe Mutuel, you will receive a notification depending on your preferences.

#### OVERVIEW

Get an overview of your insurance account for all family members. Any requests for changes to your personal data and contracts can be sent to us online.

#### MY INVOICES

View your account status and manage your payment deadlines.

#### MY REQUESTS

View all requests sent through your profile.

## Your online customer area

- **Step 1:** Complete the GMnet access request form available on [www.groupemutuel.ch](http://www.groupemutuel.ch), under the tab “My Space” (at the top-right of the screen).
- **Step 2:** Enter your GMnet username (received by email or by post when you requested access) and password (received by separate mail). You may also use your GMnet username to access the GMapp mobile application.
- **Step 3:** Enter the code received by SMS on your mobile phone.

## Your mobile application

- **Step 1:** Download the GMapp application to your mobile phone (available on Apple Store and Google Play).
- **Step 2:** Open the GMapp application. If you already have a GMnet account, enter your GMnet user ID (email address and password). If you do not want to manage your data exclusively on your smartphone, create an account by completing the GMapp application form. You will shortly receive your GMapp username by email or by post, followed by your password by separate mail.
- **Step 3:** Log in by entering your user ID. Then enter the code received by SMS on your mobile phone. When you next log on, simply enter your password. **Please be aware that it is possible, for the same account, to set up GMapp on several phones.**

If your mobile phone is equipped with the Touch ID or Face ID functionality, you will also be able to log in thanks to your fingerprint or face (facial recognition). To do this, go to “Settings” on your GMapp mobile application.

### No more paper

By choosing to use our online tools, you will receive all correspondence electronically. **It is now also possible to receive premium invoices and benefits' statements in paper format\***. To do so, go to “My Preferences” in GMnet or to the GMapp settings.

\*no additional fee will be charged.
