# Customised to your corporate needs

## **Monitor each case of incapacity for work**

Coaching absent employees, case management, financial assistance for transport costs (bus, train or taxi) with a view to supporting recovery and facilitating the employee's return to work, and at the same time avoiding possible abuse. These measures are implemented by Groupe Mutuel.

## **Contain absences**

Absence management process, dedicated doctor, training for managerial staff to sensitize your employees and encourage rehabilitation. These optional measures are customised to your needs and implemented collaboratively.

## **Support prevention**

Employee health programme, stress management, accident prevention for reducing risks and increasing your employees' health capital, resistance and motivation. These optional measures are customised to your needs and implemented collaboratively.

## Employee absence and health management

# Active and committed employees are the key to your productivity

PRODUCTIVE TEAMS ARE THE CORNERSTONE OF YOUR COMPANY'S GOOD FINANCIAL HEALTH. HOWEVER, THE STATISTICS SHOW THAT, IN SWITZERLAND, EMPLOYEES ARE AWAY ON SICK LEAVE (FOR ILLNESS OR ACCIDENTS) MORE THAN ONE WEEK A YEAR ON AVERAGE.

- > Reduce the cost of absences
- > Increase employee presence
- > Consolidate employee performance

If these are also your objectives, we are the ideal partner for your company.

### **Our plan for achieving your objectives**

In more than 15 years experience with a broad range of companies, our CorporateCare experts have developed, tested and refined a wide range of support measures. Practical and adaptable to your company's individual circumstances, these measures are based on three dynamic complementary components. Find out more in this brochure.
