Authorized Person² _____

E-mail _____ Date of birth _____

Contract(s) N° _____ Admin Super-user User

Authorized Person³ _____

E-mail _____ Date of birth _____

Contract(s) N° _____ Admin Super-user User

- Admin = all rights
- Super-user = viewing rights/creation of salary data – sending restrictions on certain documents for Groupe Mutuel
- User = viewing rights/creation of documents – no rights on salary data – sending restrictions on certain documents for Groupe Mutuel

The undersigned Brokerage Company declares that it wishes to use the Groupe Mutuel Extranet to access its data online. For this purpose, it designates one or more authorized Persons to be granted access. If the authorized Person(s) leave(s) the Brokerage Company, or if his/her/their right to access the contractual data is withdrawn, «Admin» shall inform Groupe Mutuel immediately.

The Brokerage Company confirms that it is aware of the risks involved in calling up and exchanging data over systems that are generally accessible. The Brokerage Company shall take all due precautions to avoid unauthorized persons accessing its own IT system and the Groupe Mutuel Extranet.

Corporate xNet User Application Form

Furthermore, the Brokerage Company confirms having received the general terms and conditions for the use of the Corporate xNet of Groupe Mutuel that form part of this application and undertakes to make every effort to comply with the latter. It further undertakes to monitor the use of the xNet by authorised persons and to ensure that the latter comply with the terms and conditions for the use of the xNet.

The Brokerage Company acknowledges that it is liable towards the Client for any unauthorised access to the client's data.

By signing this form, the Client authorises the Brokerage Company to use the xNet of Groupe Mutuel to access its data online. It undertakes to formally inform its employees of this.

To ensure the integrity and protection of the personal data of the persons authorised to use the various Xnet applications, Groupe Mutuel manages the information within a single database of its computer system. In this regard, Groupe Mutuel guarantees that the data organised according to its different activities will not be used for purposes other than for which access rights were requested (i.e. the Corporate xNet) nor for commercial purposes.
